Mahima Smart City
SMART LIVING

Building Premium Communities — FOR A — BETTER LIVING

Mahima Infra is committed to build landmark residential communities that blend thoughtful planning, premium amenities, and future-ready lifestyle experiences. With a vision to offer spaces that elevate everyday living, each Mahima project is crafted with precision, Roman-inspired architecture, secure campuses, lush green landscapes, and world-class facilities. Our developments are designed not just as homes, but as lifestyle destinations.

MAHIMA SMART CITY

OUR PROJECTS

MAHIMA SMART CITY – Elite Signature Township

Mahima Smart City is a premium 28-acre township on the Super Corridor, offering 339 exclusive plots in a low-density, high-luxury setting. With 23 landscaped gardens, Roman-style planning, grand entrance, clubhouse, temples, children's spaces, and a fully secured campus, it delivers elite living with unmatched connectivity and lifestyle convenience.

MAHIMA Sarthak Homes

Spread across 1,08,392 sq. ft., Mahima Sarthak Homes is a secure gated campus offering well-planned plots from 900 to 2500 sq. ft. Designed for balanced community living, it features landscaped gardens, selfie walls, open green spaces, and a thoughtful layout that blends comfort, affordability, and a peaceful residential environment.

MAHIMA Elite 27

Mahima Elite 27 is an intimate premium enclave spread across 33,372 sq. ft., featuring only 28 well-designed row houses for exceptional privacy. With two landscaped gardens, a fully occupied community, and spacious 3 BHK residences. It offers a luxurious, comfortable, and secure lifestyle ideal for families seeking exclusivity.

MAHIMA NX

Mahima NX is a lush green, fully secured township spread over 2,97,985 sq. ft., offering around 140 Royal Villas and premium plots. With modern amenities including a pickleball court, half-basketball court, fruit garden, jogging track, kids' park, and gazebo seating, it provides a serene, luxurious, and future-ready lifestyle.
